

Name:

Date:

Today I want to learn by....

- Reading
- Writing
- Talking
- Doing
- Following connections
- Asking questions
- Discovering answers
- Listening
- Researching
- Making connections
- Trial and error
- Other (describe):

My goal is _____.

What type of goal is this? *Check all that apply.*

- It's about Growth
- A Set or Defined Concept
- Flexible-it could shift as I learn
- Social-Emotional: (i.e. To work on resiliency: to fail, reflect/analyze, and rebound with words, creativity, problem solving, or research.)

My starting point or spark will be...

- A document (book, article, primary source)
- A question
- Artwork (image, song, play, poem)
- An idea
- Other (explain):

Specifically, my starting point or spark will be _____.

I will measure my success by...

- Growth
- New understanding
- The number of questions I generate
- A product produced
- Personal reflection
- The defining of a next step
- Coming to a conclusion
- The ability to define multiple possibilities or conclusions
- Other (explain):

I will know I am successful when/if _____.

I will reflect on my progress and plan for adjustments by...

- Sharing with a peer for feedback
- Developing a set of guiding questions relevant to my work
- Establishing a checklist or rubric
- Teaching a peer to check for understanding
- Sharing with a mentor for feedback
- Sharing with a teacher for feedback
- Other (describe):

Specifically, I will reflect and adjust by _____.

I hope this learning experience will _____

_____, **so I can/because** _____

_____.

I will need to be aware of, or keep in mind...

- Personal Bias
- Author/Source Bias
- Perspective
- Source Reliability
- Ambiguity
- Multiple possibilities
- Other (describe):

Specifically, I need to be aware of _____

_____, **because** _____.

I need to have a plan for...

- Obstacles
- Personal Frustration
- Inconclusive data
- Contradictory data
- Errors/Mistakes
- Things not going as planned
- Other (explain):

Specifically, I will _____

_____, **if** _____ **happens/occurs.**

Create a "What if__?" question that gets you excited about your learning.

What if
